Mary has been the Taranaki LLG convenor since Transition in 2012. She has done a remarkable job in the Taranaki LLG. Her list of responsibilities includes planning professional development, managing the Taranaki LLG SPELD library, presenting gifts to guest speakers, taking minutes at meetings, and generally keeping the LLG running smoothly. She even took on the task of managing the SPELD library out of her garage from 2015 to 2018.

She represented SPELD North Taranaki at numerous conferences and at SPELD NZ AGMs. Mary is still teaching SPELD NZ students in 2022.

We are so grateful for the contribution Mary has made to the Taranaki LLG. Her dedication and passion has meant that the Taranaki LLG has stayed strong and cohesive. Sadly, Mary

will be retiring from her SPELD NZ roles at the end of 2022. We cannot thank her enough for her tireless commitment to the Taranaki LLG and the SPELD NZ organisation.

She was involved with NZQA's Targeted Review of the Level 5 qualification, and as a member of the Programme Review sub-Committee of the PSC, she also contributed to the new programme approval. She co-authored The Guide with fellow PSC members. Eleanor retired from SPELD NZ Professional activities in July 2022, to spend more time with her whanau.
