SPELD New Zealand 2025 Conference ‘Navigating Neurodiversity’

SPELD NZ Inc has great pleasure in inviting you to exhibit at our 2025 SPELD NZ Conference: **Navigating Neurodiversity**, being held at the Ellerslie Event Centre, 100 Ascot Avenue, Remuera, Auckland, on **Saturday 12 April and Sunday 13 April 2025**.

This unique event presents an invaluable opportunity to showcase, display, promote and sell your products to SPELD NZ Teachers and Assessors, as well as other attendees - educators, parents and professionals working with children with specific learning disabilities. We have an excellent lineup of international speakers covering dyslexia, dyscalculia, executive function and the twice-exceptional learner. We anticipate over 250 delegates will register, and SPELD NZ Local Liaison Group delegates attending the conference will have a pre-approved budget (subject to funding availability), to enable them to purchase books and resources from exhibitors, either at or after conference.

The exhibition areas are adjacent to the conference area, where all refreshments will be served.
